1. Introduction

1.1 Topic

The project selected will be mainly focusing on creating a commercial video for the "Perfect Fitness Club" helping it showcasing the environment, machines, services and facilities present in it. The goal is to help the gym build promote itself and eventually reaching out to people encouraging them to join the gym. This commercial will help perfect fitness recreate itself as a thriving brand among the other gym which focuses on meeting the people's needs on a reasonable budget as well. For some people gym isn't only about lifting weights but it's a place for the people where they can face their thoughts and release their stress and tension. This commercial will be showcasing people performing different exercises helping one another reach and achieve individual fitness goal and letting people know that they ain't alone in this ultimately paving a way for them towards their desired fitness goals and meeting their very own expectations.

1.2 Area of Research

The main objective behind this research is to be able to create a refined and polished commercial for the perfect fitness club by diving deep into how every technique, knowledge and skill are to be used to achieve the desired outcome eventually fulfilling the client's demand and meeting their expectation. The primary aim of this project is to be able to know about the brand " Perfect Fitness Club" and as well to present visually motivating and emotional realization through by means of an advertisement or commercial making people feel inspired on the deeper level to join gym and ultimately improving their overall fitness one step at a time further down the road. Research aids us significantly into understanding and knowing out client and as well as getting familiar about out audiences and as well as about their likes and dislikes.

2. Aims of Project

The main core of this project is to make a commercial for the Perfect Fitness Club while demonstrating the overall gym, services and facilities provided by it and as well as helping people know about the gym in much more detailed manner. People around the locality might know about the Perfect Fitness Club but the people a bit off the reach aren't aware about it and so in order create the place in people's mind this commercial is made helping the gym introduce themselves to new people and audiences and with the help of commercial people will be able to recognize the gym much more efficiently. Simple commercial will be made with an aim to make people understand about the message delivered to them and as well helping the gym to promote themselves efficiently and effectively and eventually helping the brand win people's trust.

3. Target Audience

Knowing about the targeted audiences or customers is an important part of step for creating an outstanding commercial and this research revolves around understanding the people who are thinking about signing a subscription in Perfect Fitness Club. It observes the person's lifestyle, things they are interested into and as well as well their fitness goals so that a certain level of understanding can be gained in order to create a proper commercial. Regular gym members are observed and as well are questioned in order study the current situation of Perfect Fitness Club helping us gain insights In fields where Perfect Fitness Club excels when compared to other fitness related organizations.

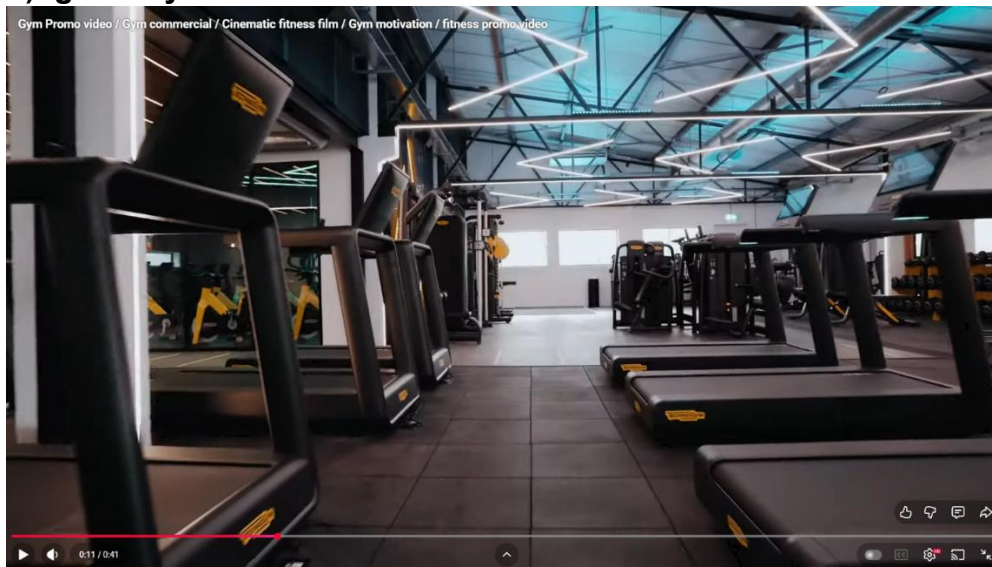

4. Product Research

a) Gym Commercial

Close-up shots being used here has uplifted the presentations of all the equipment present in this commercial has enhanced the visual way beyond creating a feeling of greatness with the proper lightning, sound and camera angle. These close-up shots will help achieve cinematic view of the equipment inside Perfect Fitness Commercial leading to much more finished and refined final output. (agency, 2025)

b) Ignite Gym

The commercial created by synergy film provides insights to audiences about each and every part of the gym along with every facilities and services available within the premises and the opera sound used in it has given a sense of classic. (Film, 2025)

c) Gym Shark Athlete

A demonstration of high intensity workout session is shown clearly and creating a same amount of intensity in the Perfect Fitness Club can attract more person who is really into the building a respectable physique towards the gym. (Willicombe, 2025)

d) Audio research

Audio is one of the core elements of an advertising process as it provides an insight into the kind of message an advertisement is conveying towards the audiences and as well as improves the overall quality of the product.

5. Technologies Employed

Adobe Illustrator

Adobe Illustrator can be defined as a powerful software which mainly focuses on vector assets and helps users create various illustrations, drawings. (Adobe, May 2026)

Adobe Photoshop

Adobe Photoshop is a software mainly used for modulating images, graphic designs and as well as for drawing sketches and storyboards. (Anon., 2026)

Adobe After-effects

Adobe After-effects is a software frequently used for motion graphics animations, visual effects and provides wide range of flexibility in terms of modifying video images and effects within them. (2026, n.d.)

Adobe Premiere Pro

Adobe Premiere Pro is a software that helps user in editing and manipulating video footage along with the various tools and effects present inside it such as cropping, key framing camera movement scaling, managing proper amount of audio and as well as colour grading a video. (Anon., 2026)

5.1 Laptop

a) HP Victus

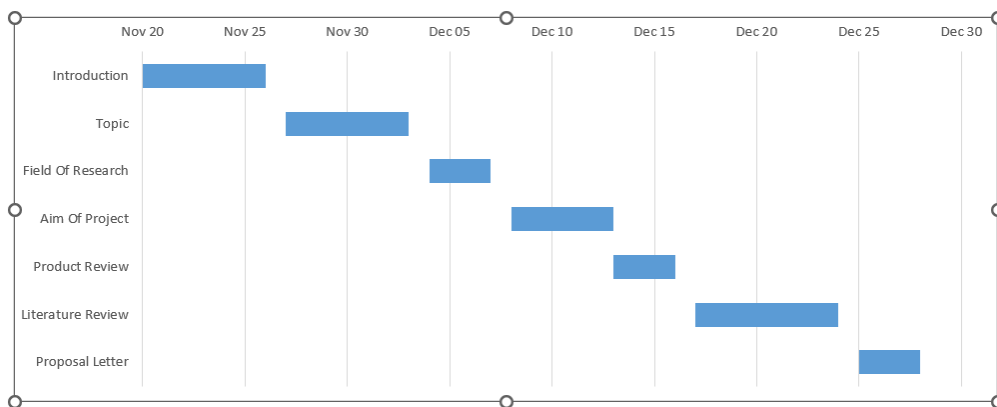

- Model: HP Victus 15 2022
- Processor: 12th Generation Intel Core i5-12450H
- RAM: 8 GB DDR4-3200 MHz RAM
- Storage: 512GB SSD
- Display: 15.6-inch IPS display; Full-HD, 250nits
- Graphic: GeForce RTX 1650 4 GB

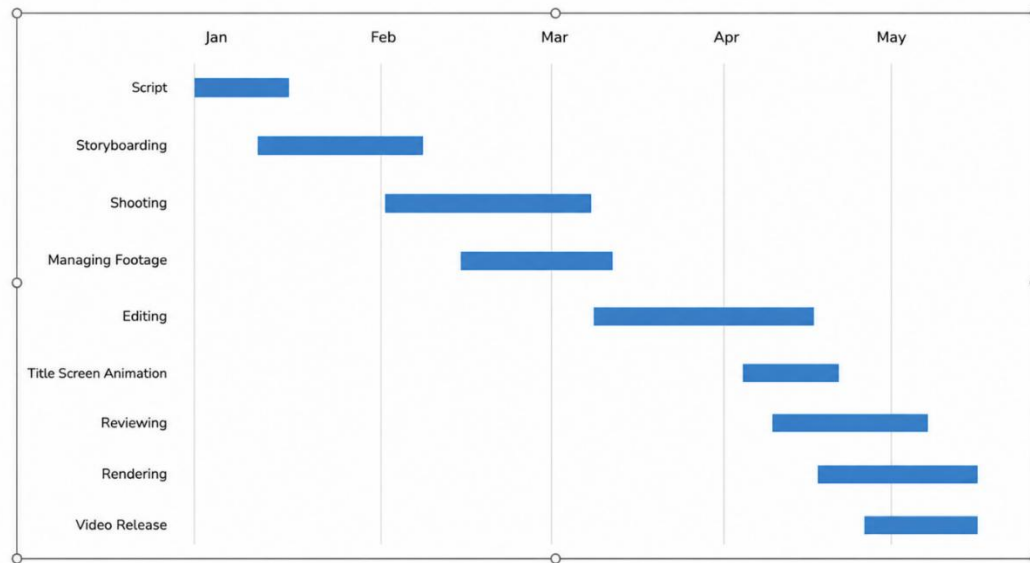

5.2 Camera (Galaxy s24)

6. Project Plan

While creating a commercial for the Perfect Fitness Club, each and all steps were planned before they were carried out and project is equally responsible as the production phase as it provides a sense of direction for the project.

7. Production Phases

7.1 Scripts

INT. LOGO ANIMATION

The logo 'The Perfect Fitness Club' will be shown as an intro for around 3 - 6 seconds.

INT. INDOOR - EVENING

Cinematic view of every equipment inside the gym is shown and as well cardio machines along with **weightlifting** machines.

INT. INDOOR - EVENING

A person putting on plates on the bar will be shown.

INT. INDOOR - EVENING

A person grabbing dumbbell from dumbbell rack will be shown.

INT. INDOOR - EVENING

A person performing heavy dumbbell curl is shown.

INT. INDOOR - EVENING

A person performing a lats pull down is shown.

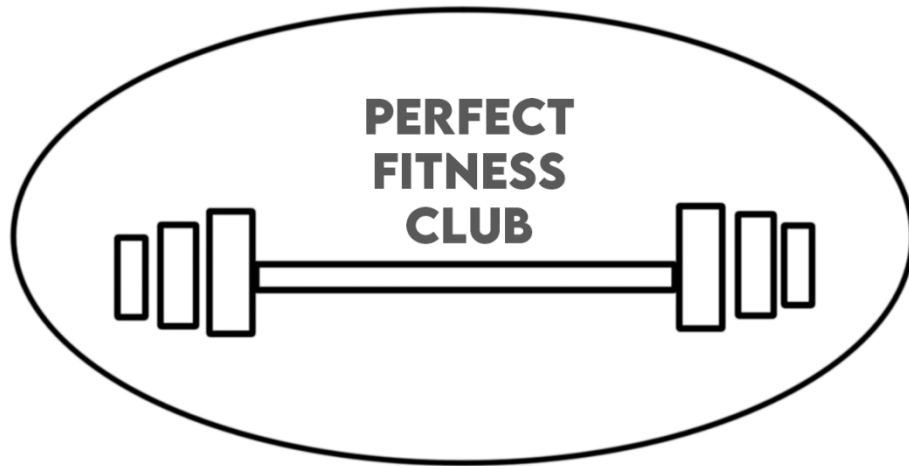

INT. INDOOR - EVENING

A person doing an incline chest press is shown.

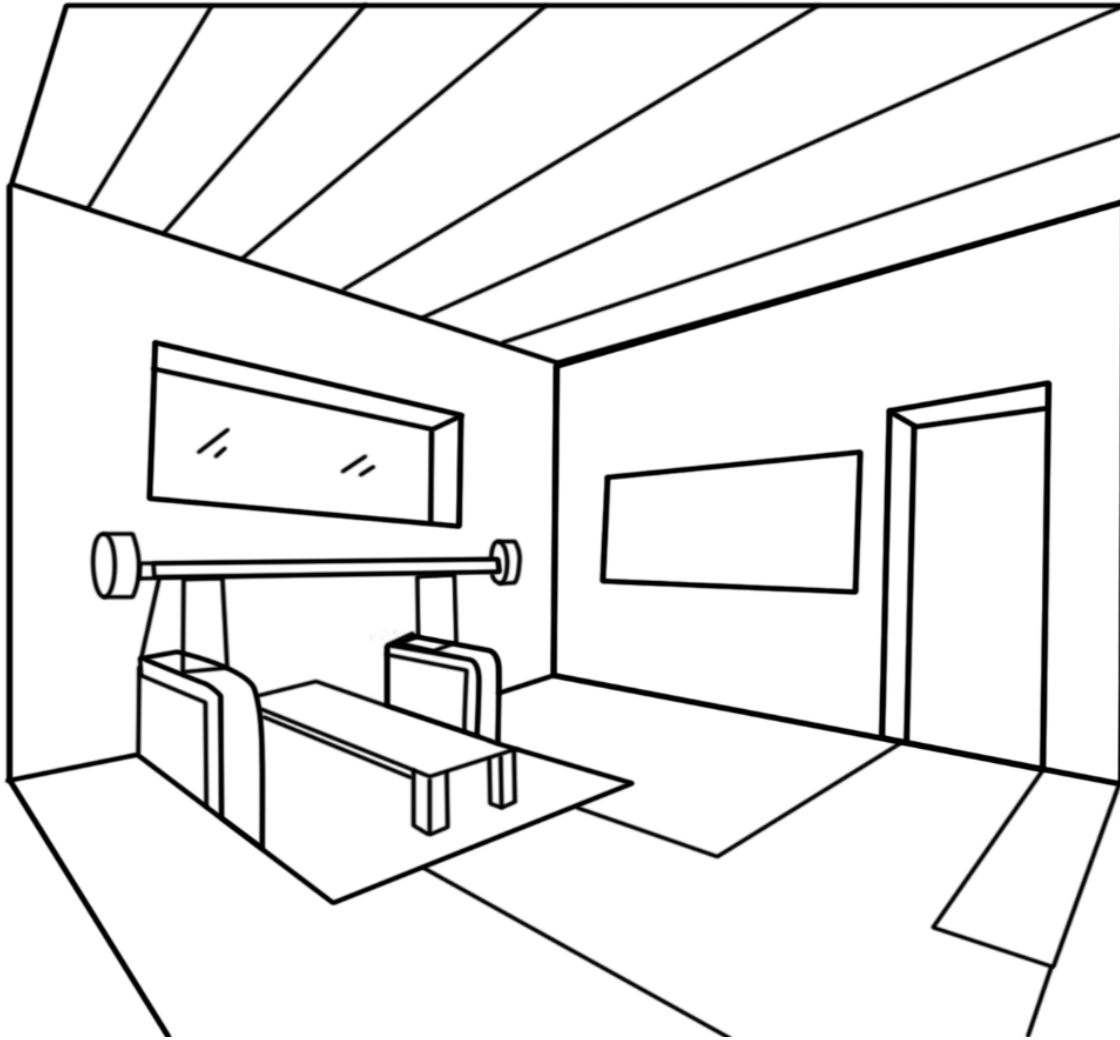

INT. INDOOR - EVENING

A person performing cardio session will be shown.

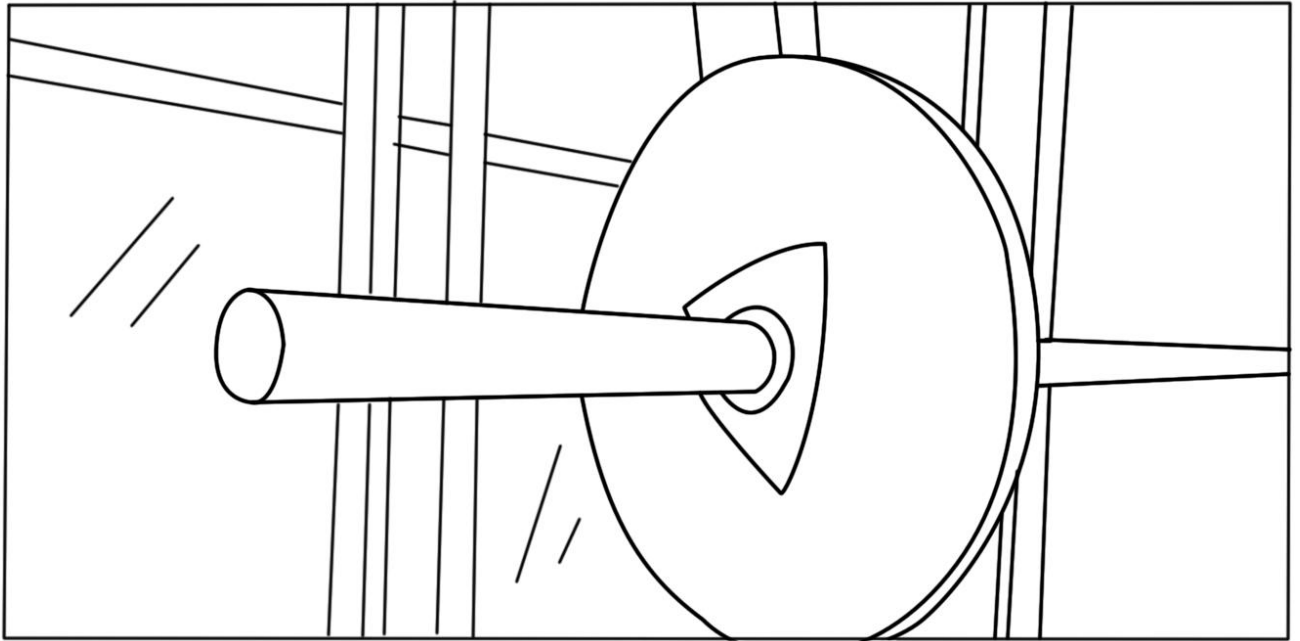

7.2 Storyboard

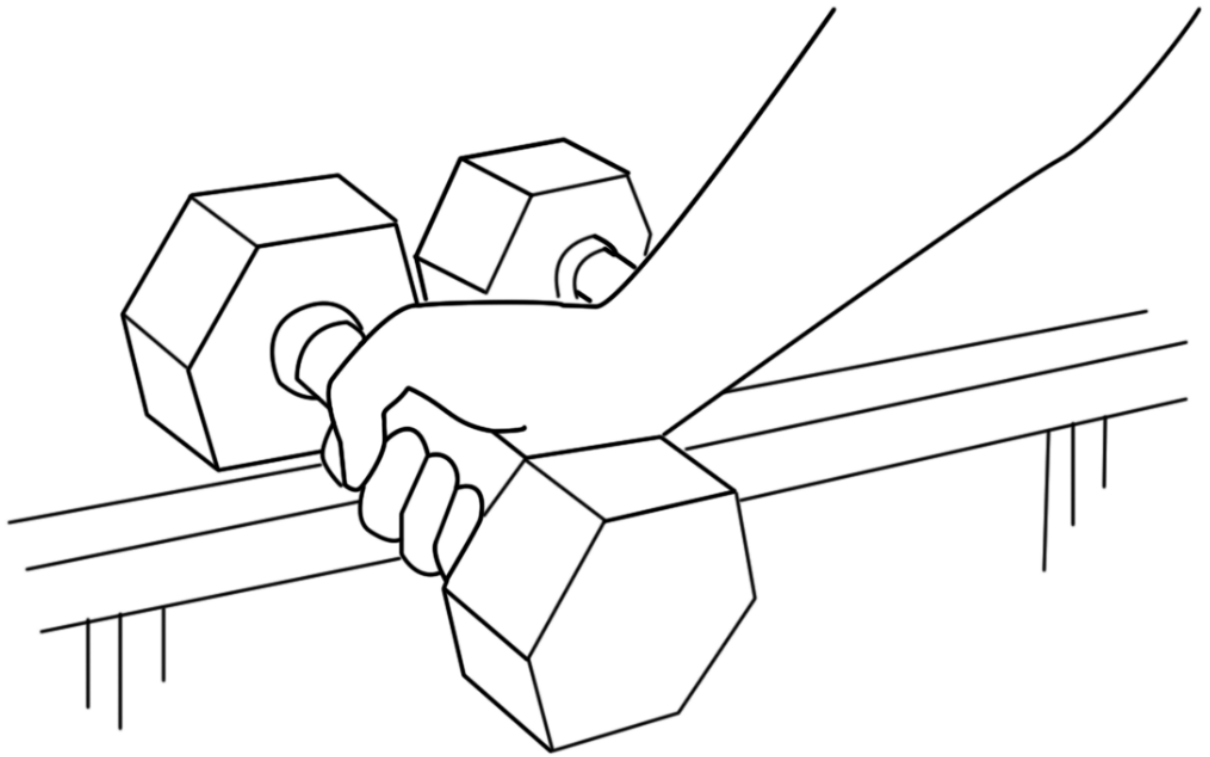

Scene:	1
Location:	Screen
Camera Shot:	Medium
Description:	A brief logo animation is shown.

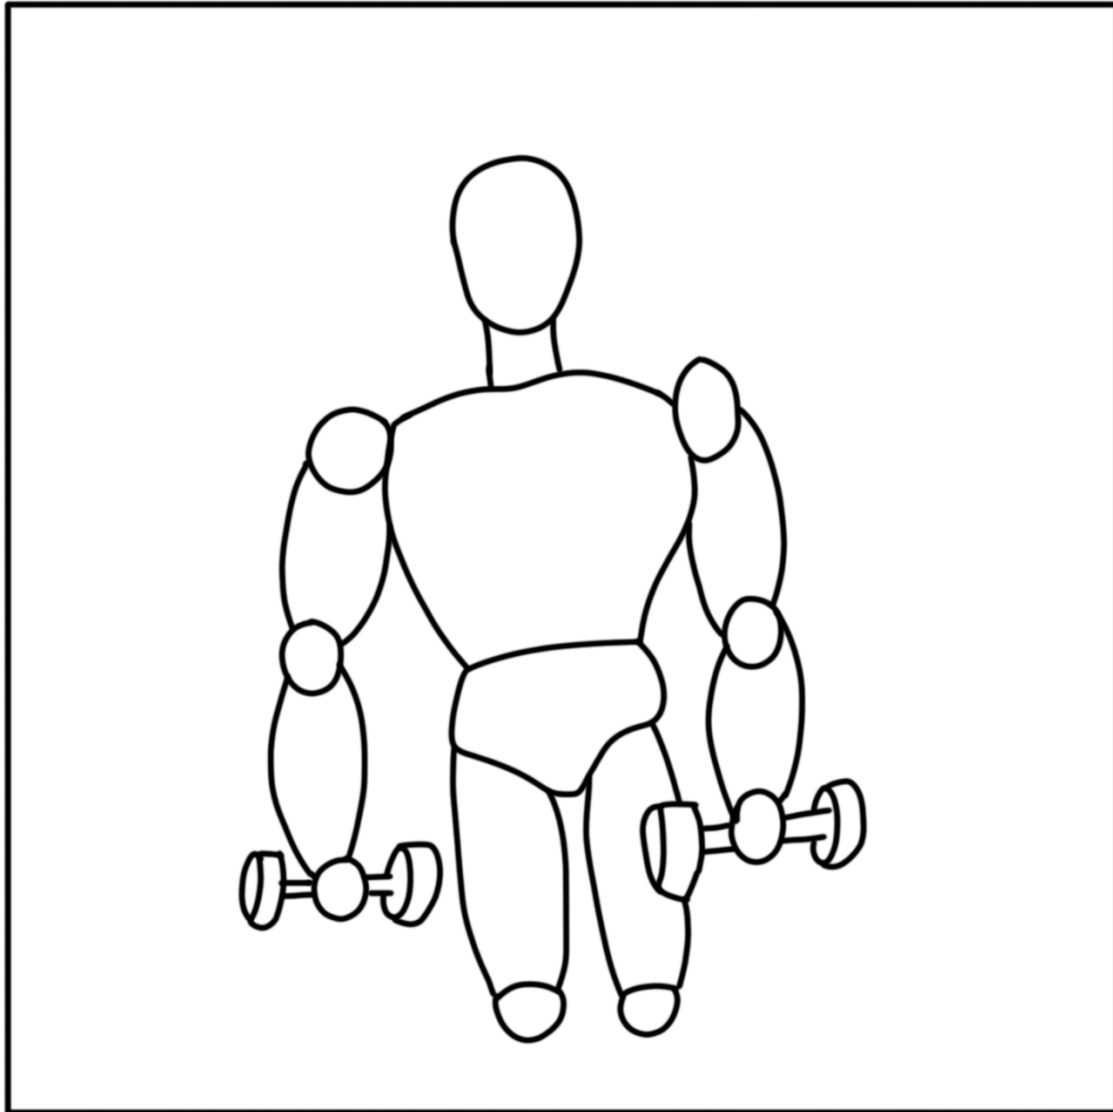

Scene:	2
Location:	indoor
Camera Shot:	Medium
Description:	A cinematic view of entire gym weightlifting area is shown

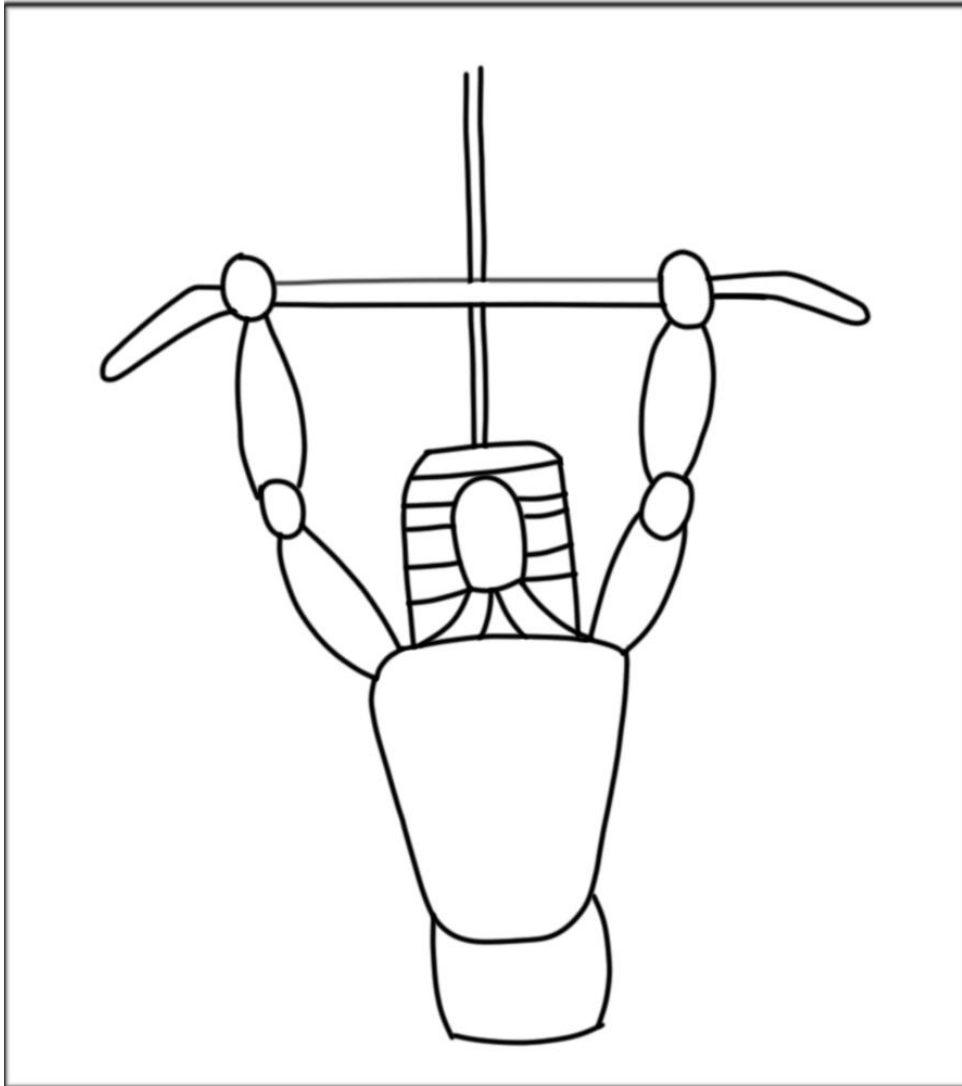

Scene:	3
Location:	Indoor
Camera Shot:	Medium
Description:	A plate being loaded on barbell is shown

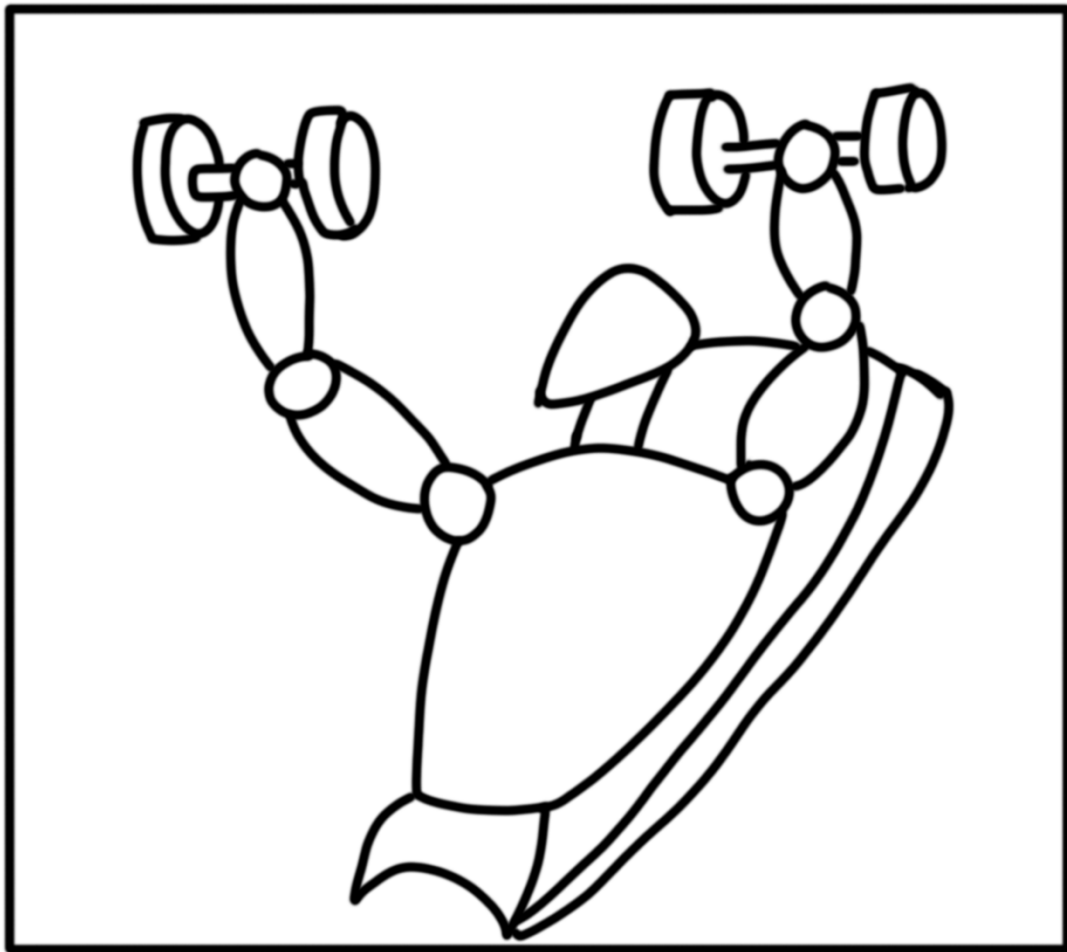

Scene:	4
Location:	Indoor
Camera Shot:	Close-up
Description:	A person grabbing dumbbell is shown.

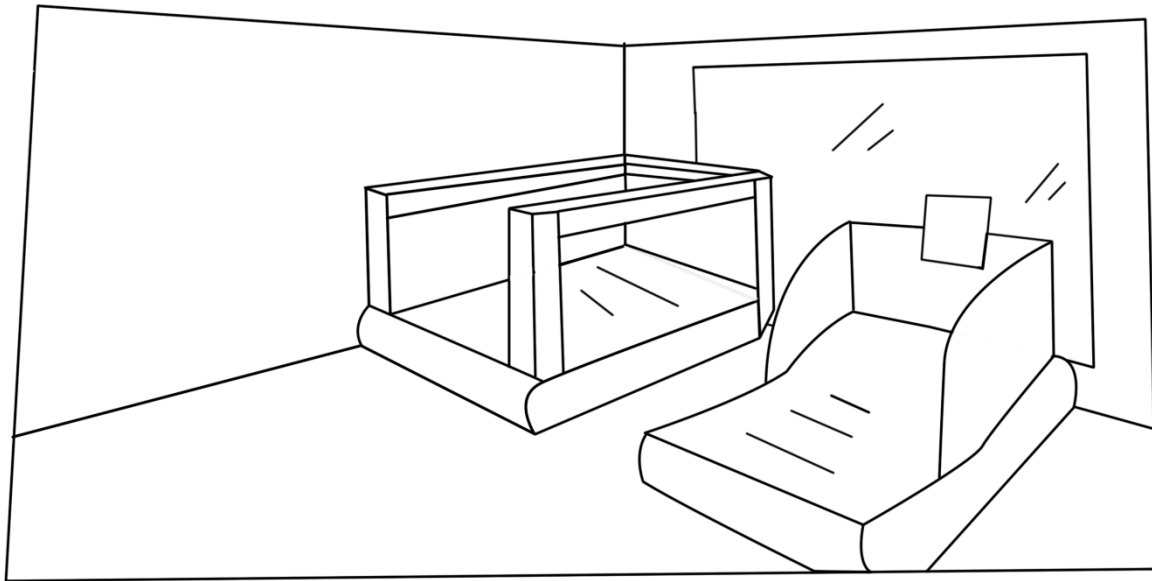

Scene:	5
Location:	Indoor
Camera Shot:	Medium shot
Description:	A person performing dumbbell curl is shown.

Scene:	6
Location:	Indoor
Camera Shot:	Wide shot
Description:	A person performing lats pull down is shown

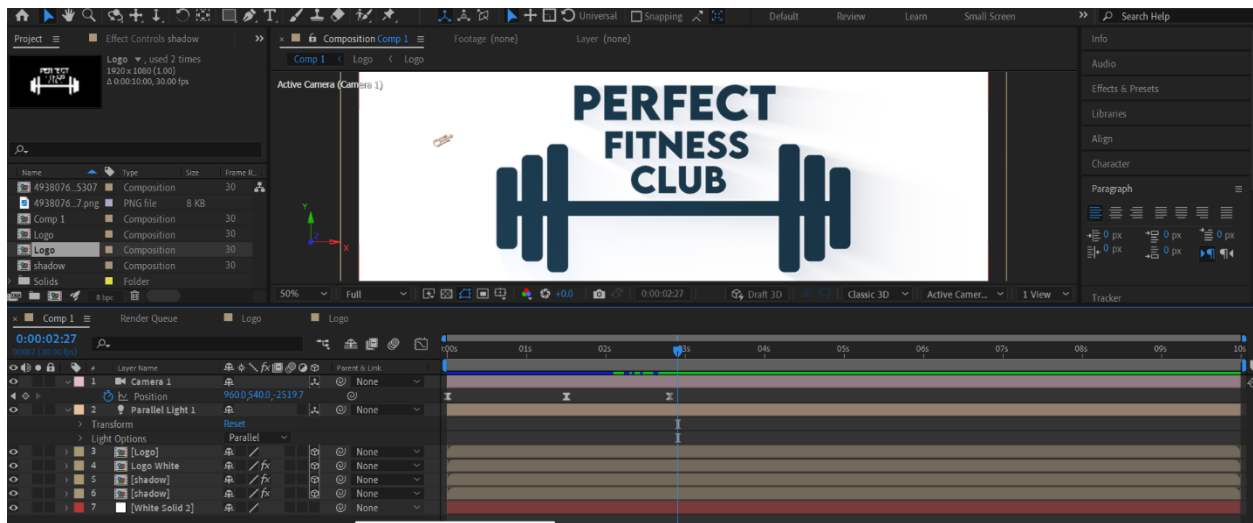

Scene :	7
Location :	Indoor
Camera Shot :	Medium
Description:	A person performing incline bench is shown.

Scene:	8
Location:	Indoor
Camera Shot:	Medium
Description:	A person performing cardio session is shown.

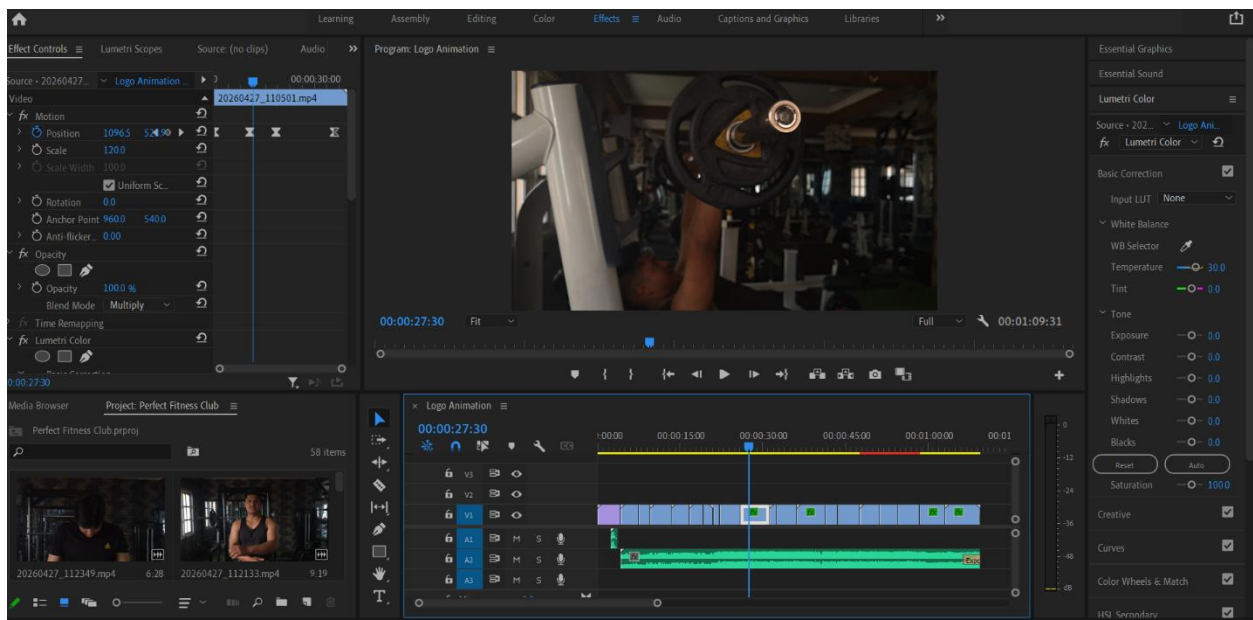

7.3 Logo Animation

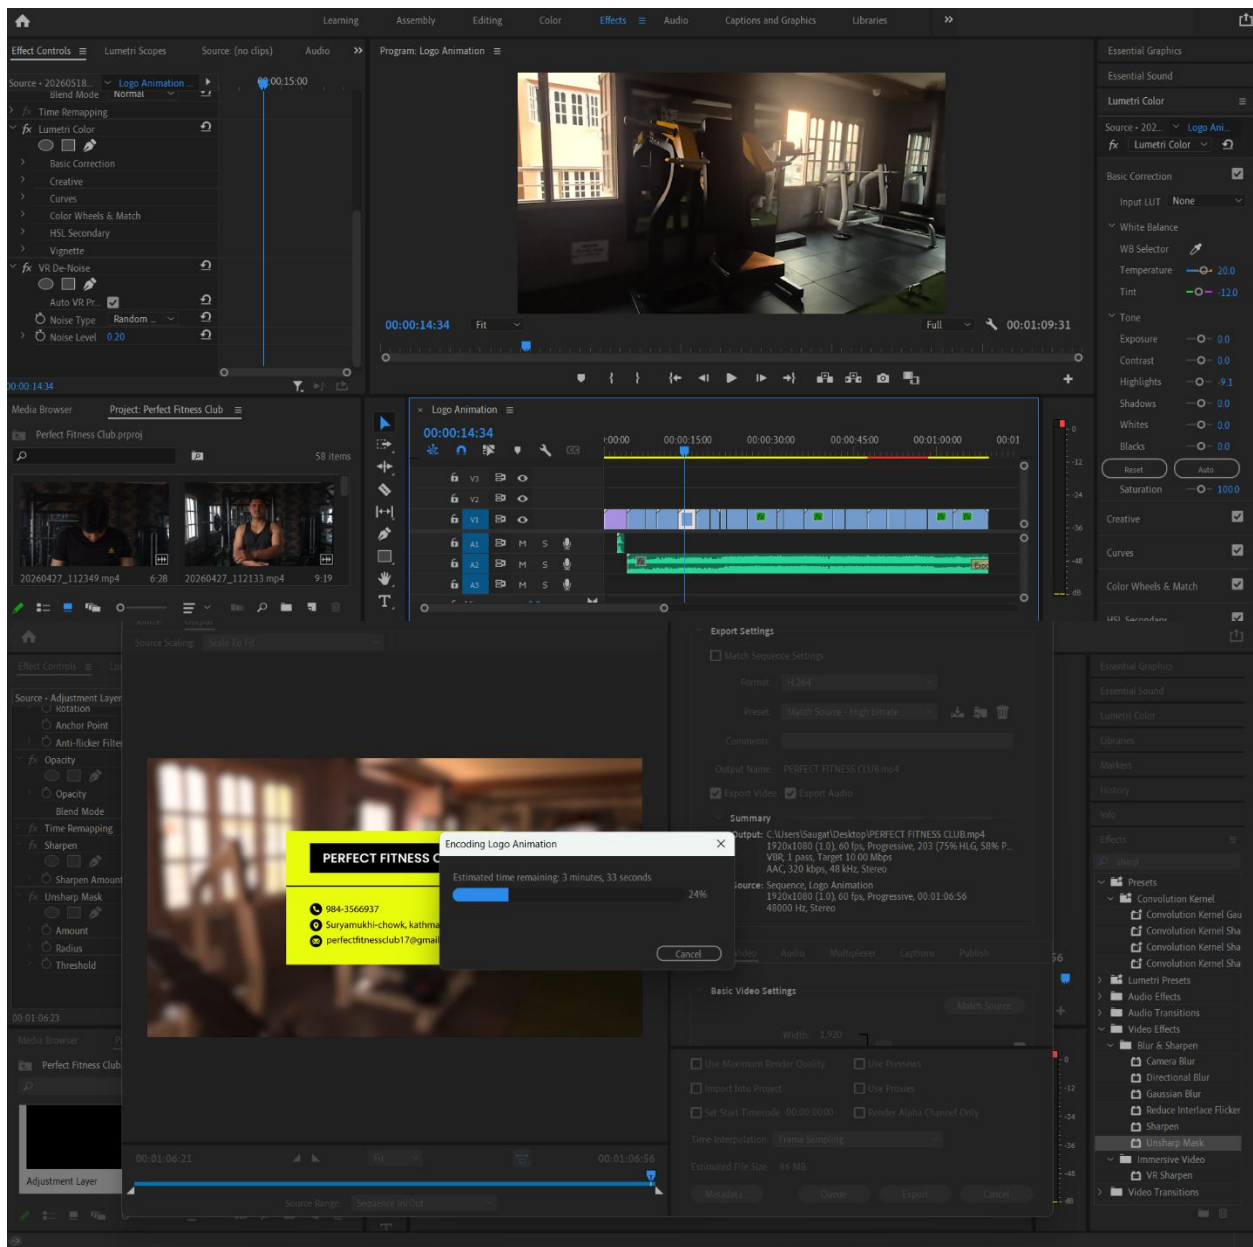

After the logo was made the entire logo animation was made in Adobe After effect by using multiple layers where 3D camera was enabled and as well layers like shadow and logo was created and directional light was used for better shadow and light synchronization which was achieved by keyframing camera movement along Z axis.

7.4 Editing and Rendering

The overall recorded video for the commercial was all imported into Adobe Premiere Pro where different effects like De-noise, lighting, lumetri colour, Gaussian Blur, Sharpen and Unsharpen mask was used in order to improve the overall quality of the video and for the fading audio effect exponential fade was used for the smooth lowering of the music at the end of the video. Rendering was done using H.264 format for being highly compatible.

8. Resources

8.1 Hardware used

a) Camera:

i) Samsung Galaxy S24

b) Laptop:

i) Model: HP Victus

ii) Processor: Intel I5 12450H

iii) Ram: 16 GB

iv) Graphics Card: Nvidia GTX 1650 4 GB

c) Tripod

8.2 Software Used

- Adobe After Effects
- Adobe Premiere Pro
- Adobe Photoshop
- Adobe Illustrator
- Microsoft Excel
- Google Forms

9. User Testing & Findings

The main motive behind this project was to be able to create a immersive commercial that could help the gym in increasing its reach and as well form a connection with the viewers and the proper finding helped us find out precise planning of all the steps of making an advertisement can help increasing the quality and efficiency to the advertisement.

10. Conclusion

In conclusion, throughout the coursework named Digital Media Project has provided me an insight that the precision in planning process and as well as the research that was done in order to be able to understand the gym culture can help pull clients towards the gym and as well the production process ended up teaching me in further improving my skills about handling the camera and as well as the footages.

Hence, this project has truly helped me uplift my learning experience and as well the consistent support provided by our respective supervisor has helped me make it much more fruitful.

December 25, 2025

To,
Perfect Fitness Club,
Suryamukhi Park, Kathmandu.

TO WHOM IT MAY CONCERN

I am writing this letter on behalf of **Mr. Saugat Pradhan**. He is currently pursuing his final year of **BSc (Hons) Multimedia Technologies** at Islington College and is doing research for his project of **Digital Media Project** module. For the same, he will be creating a commercial video for a gym is to be made promoting gym and its overall facilities.

I would like to humbly request you to assist him by providing the required permissions which will help him complete his project. Please assure him of his rights, permissions and approvals. I assure you that the information collected for the project will be used for academic purposes only and will be kept confidential. If the information is to be used in public capacity, we will first seek your approval.

If you have any inquiries regarding this matter, please do not hesitate to contact me via email at tara.subedi@islingtoncollege.edu.np.

Thank You.

Tara Devi Subedi
Sr. Manager
Student Services

Islington college

To
Mr. Rabin Koju
Perfect Fitness Club
Suryamukhi Park, Pepsicola

Subject: Permission for gym video project.

Respected Sir,

My name is Saugat Pradhan and I hope you are doing well and currently I have been working on my final year Digital Media Project and I would like to kindly request your permission to take a step forward in creating a commercial video for Perfect Fitness Club as a main part of this project.

The main goal and vision behind this project is to showcase the overall gym's facilities, environment, and overall experience of the gym. The video will mainly be focused on demonstrating a motivating environment of the gym as well its training ground and how a better fitness helps in achieving a better quality of life quality. It shall include gym's equipment, facilities, services and as well as interactions between members of the gym.

The video will be made only for the promotion of Perfect Fitness Club related to my final year project and will be shared on digital platforms such as You-tube and as well as social medias.

By approving, Perfect Fitness Club allows the usage of all the video footage and all the photos taken during the production of the commercial. The content will be shared on online platforms and each and every materials and assets shall be used respectfully and only exclusive to this project.

Yours Sincerely

Saugat Pradhan

Meeting logbook Entry Sheet

BSc. DMP Logbook

Student Name: Naugfal Pradhan

LMU ID: 22069822

Meeting No: 04

Start Time: 07:00

Date: 20/11/2025

End Time: 08:30-09:00

Items Discussed: Discussed about ideas, plans and as well as system and rules etc. for carrying out process (animating and as well demonstration was carried out for clarity)

Achievements: Clarity about the module was achieved and as well as different POV and ideas.

Problems: Time-Management.

Tasks for the Next Meeting: Finalization of ideas and concept for digital media project.
